Table 1: EWG2509 agenda overview

1.1 Presentation of contracts

- 20' maximum
- Reference the ToR and how they were fulfilled
- Explain changes in data from previous assessment (if possible)
- Show data streams and gaps, explain how gaps were sorted out (if any)
- Discuss assessment strategy and show preliminary results if available

1.2 Work on models and presentation of results

- Follow practices from last year
- Check with chairs or colleagues anytime needed

¹There will be plenaries every day at the beginning and end of the day, and any other time needed.

- Prepare full set of diagnostics, reference points and projections (check EWG2501)
- Discuss assessment results
